ASHP Honors and Awards
A Call for Nominations

Read the background information and directions below;
then use the link to proceed with the nomination.

http://ashp.qualtrics.com/SE/?SID=SV_aheYrD2CWdMbEc5

This invitation is being directed to you because we believe you are in a good position to nominate individuals for ASHP recognition. This call is for nominations for the following awards, which are described in the *Select ASHP Awards* document on page 3.

Honorary Members of ASHP
Board of Directors Award of Honor
Award for Distinguished Leadership in Health-System Pharmacy Practice
Donald E. Francke Medal
Award of Excellence
Chief Executive Officer's Award for Courageous Service
ASHP/ABHP Joint Leadership Award

The deadline for nominations is October 1, 2013.

The ASHP awards program is designed to publicly express gratitude to individuals who have made important contributions, directly or indirectly, to advance the interests of hospital and health-system pharmacists as health care professionals. By putting the spotlight on extraordinary individuals, the program also is intended to inspire others to service and commitment to leadership in health-system pharmacy and health care. Nominations are to be transmitted electronically using the link provided. For your convenience, the fields on the form accept an unlimited number of characters and allow copying and pasting from another source.

For each nomination you plan to submit, please be prepared to enter the following information when you click on the link to navigate to the Nomination Form.

1. The individual's (or group's) name.
2. Current professional position and institution.

3. Very briefly express your reasons for believing this person (or group) should receive an award. In the case of the Award of Excellence and the Chief Executive Officer's Award for Courageous Service, the nominee(s) may be a group or an individual.
4. A mailing address, e-mail address, and telephone number where the nominee can be reached.
5. For the Award of Excellence and the Chief Executive Officer's Award for Courageous Service, please note the professional position of the nominee(s) at the time of the contribution or achievement.
6. If you are nominating an individual, you will be asked to upload your nominee's resume or curriculum vitae using the link provided on the nomination form. If you are nominating a group, please upload the group leader's resume or curriculum vitae.

Selections will be made in January 2014. (In some years, selections are not made for all awards.) If you have any questions about the nomination procedure, contact ASHP staff member Maria Carias at mcarias@ashp.org or 301-664-8820.

E. Award of Excellence

Established in 2005 as the successor to the ASHP Certificate of Appreciation, the ASHP Award of Excellence may be conferred annually to an individual or group of individuals in recognition of a specific recent contribution or achievement that has advanced the ability of hospital and health-system pharmacists in the United States to serve the needs of patients. Pharmacists and non-pharmacists, regardless of practice area or ASHP-membership status, are eligible. There is no limit to the number of awards that may be made annually. The award is intended to recognize an individual or group of individuals for a recent singular, nationally significant achievement or contribution rather than for career-long contributions.

Nominations should include the following information:

1. Professional position of the nominee (or individuals in a group) at the time of the contribution or achievement,
2. Current professional position of the nominee or individuals in a group,
3. Summary of the contribution or achievement,
4. Brief statement about how the contribution or achievement advanced the ability of hospital and health-system pharmacists in the United States to serve the needs of patients, and
5. Brief statement about why the contribution or achievement is of national significance.

F. Chief Executive Officer's Award for Courageous Service

Established in 2000, the ASHP Chief Executive Officer's Award for Courageous Service recognizes individuals or groups of individuals in health-system pharmacy who go beyond the call or assignment of duty to serve patients or assist pharmacists in serving patients, such as under emergency conditions or in times of natural disaster or other cataclysmic events. The award is for specific incidents of inspiring, unselfish service under adverse conditions. The award consists of a framed certificate and may be granted at any time at the discretion of the ASHP Chief Executive Officer. ASHP members, staff members, and others may nominate individuals for the award, which may be given without regard to membership in the Society.

G. ASHP/ABHP Joint Leadership Award

Established in 2009, the ASHP/ABHP Leadership Award recognizes individuals who have demonstrated exceptional leadership in efforts to reduce racial and ethnic disparities in health care. Criteria for the award are as follows.

Record of demonstrating leadership in the reduction of racial and ethnic disparities in health care in one or more of the following areas:

- increasing awareness of these disparities among health care providers, health-system administrators, legislators, regulators, third-party payers, and the public;
- promoting a more diverse and culturally competent health care workforce and environment;
- ensuring effective communication with patients and among providers;
- fostering consistent use of multidisciplinary teams and evidence-based guidelines for patient care;
- collecting and reporting data on health care access, utilization, and outcomes by racial and ethnic minorities, and measuring progress toward reducing health care disparities;
- researching, identifying, and disseminating best practices for providing culturally competent care and reducing disparities in health care.

Nominations should state how the nominee meets the criteria for the award.

The award, which is conferred at the discretion of the ASHP and ABHP Boards of Directors, may be given annually to one person and may be presented to the recipient at the ABHP Minority Health Conference and Annual Meeting. The recipients of the award, which consists of an inscribed plaque, are eligible for an honorarium equivalent to payment of their travel expenses to attend the event at which the award is bestowed. The recipients may offer brief remarks upon acceptance of the award.
