

## SECTIONS

*Components of ASHP in which members who have an interest in a specific area of health-system pharmacy practice may enroll. ASHP has five sections: Clinical Specialists and Scientists; Home, Ambulatory, and Chronic Care Practitioners; Inpatient Care Practitioners; Pharmacy Practice Managers; and Pharmacy Informatics and Technology. An Executive Committee is elected by the membership of each section. Executive committees advise ASHP on programs and services related to their group and they make policy recommendations to the Board of Directors.*
