→ click on “Abstracts and Posters...”.

Participants of this 6-month program worked with mentors to complete a project in which they developed an Emergency Pharmacist (EPh) role in their institution.

To complete this program, participants:

1. Attended the 2-hour 2008 **Summer Meeting session**, “Quality Standards in Emergency Pharmacy” on Monday, June 9.
2. Attended a **project-planning meeting** with their fellow participants on Monday, June 9, led by the program mentors.
3. **Implemented the project** in their institution between June and December 2008 with mentor and co-participant support.

# ASHP Patient-Care Impact Program 2008

4. Participated in **monthly teleconferences** with their mentors and fellow participants.
5. **Presented a poster** describing the project at the 43<sup>rd</sup> Midyear Clinical Meeting on December 9, 2008.
