Participants of this 6-month program worked with mentors to complete a project in which they developed an Emergency Pharmacist (EPh) role in their institution.

To complete this program, participants:

- Attended a 1-hour Educational Session, "Effective Implementation and Optimization of the Emergency Pharmacist" on Sunday, June 6 at the ASHP 2010 Summer Meeting.
- Attended a project-planning session with their fellow participants on Sunday, June 6, led by the program mentors, at the ASHP 2010 Summer Meeting.

ASHP Patient-Care Impact Program 2010

- Implemented the project in their institution between June and December 2010 with mentor and co-participant support.
- 4. Participated in **monthly teleconferences** with their mentors and fellow participants.
- 5. **Presented a poster** describing the project at the 45th Midyear Clinical Meeting on December 7, 2010.
