## **ASHP Patient-Care Impact Program 2011**

## **ASHP** congratulates the graduates of the

Patient Care Impact Program 2011:
Introducing an Emergency Pharmacist into Your Institution

Participants of this 6-month program worked with mentors to complete a project in which they developed an Emergency Pharmacist role in their institution.

To complete this program, accepted participants:

- Attended a 1-hour Educational Session, "Effective Implementation and Optimization of the Emergency Pharmacist" at the ASHP 2011 Summer Meeting.
- 2. Attended a **team-building and project-planning session** with their fellow participants led by the program mentors, at the ASHP 2011 Summer Meeting.
- 3. **Implemented a project** in their institution between June and December 2011 with mentor and co-participant support.
- 4. Participated in **monthly teleconferences** with their mentors and fellow participants.
- 5. **Presented a poster** describing the project at the 46<sup>th</sup> Midyear Clinical Meeting on December 6, 2011 in New Orleans.
