

Educational Program Description & CE Information

Patient-Care Impact Program 2012 Introducing an Emergency Pharmacist into Your Institution

An ACPE application-based continuing pharmacy educational activity for pharmacists

Experiential training for pharmacists seeking to make a **significant impact** on the **care of patients** in their institution

A unique, **6-month program** for pharmacists which launches at the **Summer Meeting** in June 2012 and concludes at the **47th Midyear Clinical Meeting** in December 2012

The 2011 ASHP Patient-Care Impact Program is comprised of eight components. Participants must complete all components to receive CE and a certificate of completion. Participant cost and commitments are specified on the application.

Overall Program Learning Objectives

1. Describe challenges and opportunities for incorporating an emergency pharmacist into your institution.
2. Identify, design, and implement a project in your institution.
3. Create and present a poster showing your project and results at the Midyear Clinical Meeting in Las Vegas in December 2012

Program Directors:

- Daniel Hays, PharmD, BCPS, Clinical Pharmacist, University of Arizona Health Network, Tucson, AZ
- Kevin Reilly, M.D., Associate Professor of Emergency Medicine, University of Arizona Health Network, Tucson, AZ

Date / Time	Description
Sun, Jun 10 1 – 4 p EDT Location: TBD	<p>EFFECTIVE IMPLEMENTATION AND OPTIMIZATION OF THE EMERGENCY PHARMACIST at the 2012 ASHP Summer Meeting in Baltimore, Maryland</p> <p>Learning Objectives:</p> <ul style="list-style-type: none"> • List existing evidence that supports the benefits of implementing a pharmacist role in the emergency department. • Describe a model program for introducing a pharmacist role into the emergency department. • Summarize key aspects of quality standards related to emergency pharmacy and patient-care outcomes. • Explain the impact of these quality standards on your practice. • Identify barriers and solutions for implementing a program to integrate effectively with emergency physicians.
