

Dear ASHP 2009 Midyear Clinical Meeting Partner:

On behalf of ASHP, I would like to thank you for participating in the exciting and “star studded” 2009 ASHP Midyear Clinical Meeting recently held at the Venetian Hotel and Sands Expo Center.

To see highlights and submit your CE request, visit [www.ashp.org/Midyear2009](http://www.ashp.org/Midyear2009)

The preliminary, post meeting feedback that we have received from registrants has been positive. Given the fact that travel and meeting budgets were affected by the country’s economic situation, we are very pleased that over 20,000 people participated in the Midyear Clinical Meeting. Your continued support for the Society and its members is greatly appreciated.

The tables below provide detailed attendance information for the 2009 ASHP Midyear Clinical Meeting. If you did not participate in the onsite advance space selection [click here](#) to access the exhibitor contract and floorplan.

This meeting is essential to ASHP's governing body, the House of Delegates, and its impact on the emerging issues in health system pharmacy. We will continue to build this event and promote the benefits to registrants.
