NEW PRACTITIONERS FORUM

MISSION

Recognizing that recent pharmacy graduates have unique and diverse professional needs, the ASHP New Practitioners Forum seeks to provide a community and collective voice for new practitioners as they transition into hospital and health system pharmacy practice. Through innovative programming, educational resources, advocacy tools, networking events, and leadership opportunities, the Forum supports the integration of new practitioners into ASHP and empowers members to lead the future of pharmacy practice.

VISION

The ASHP New Practitioners Forum seeks to be the preferred organizational home for new practitioners practicing in hospitals and health systems. Through our dynamic programs and services, our knowledgeable and respected members will collaboratively develop, promote, and lead best practices supporting innovative practice models that provide optimal care to patients.
