

## Section of Pharmacy Practice Managers

*The Section of Pharmacy Practice Managers, through its members, has created opportunities to participate in a number of initiatives while also working with ASHP on relevant activities. Some of the current initiatives and accomplishments of the Section include:*

### Section Advisory Group (SAG) on Leadership Development

- Education programs on succession planning and building teams.
- Work collaboratively with the ASHP Foundation's Center on Health-System Pharmacy Leadership.
- Networking for multi-hospital health system leaders.
- Coordination of the Student Leadership Development program which has been presented to students in over 18 states at state affiliate meetings.

### Section Advisory Group on Managers Development

- Conducted the 4th Managers Boot Camp as pre-conference program at ASHP's Conference for Leaders in Health-System Pharmacy.
- Webinar on management strategies for advancing pharmacy practice models.

### Section Advisory Group on Quality and Compliance

- Provided education programs, networking and web resources on REMS.
- Coordinates annual MCM programming on IPPS and HOPPS updates.
- Development of tip of the month on hot topic issues affecting pharmacy leaders.

2010–2011 Executive Committee

*Sitting left to right: **Lisa Gersema** (Board Liaison), **Scott Knoer**, **Michael Powell**, **Kathleen Pawlicki**; Standing left to right: **David Chen**, **Patricia Killingsworth**, **Todd Karpinski** and **Laura Mark***

### Section Advisory Group on Communications and Publications

- Working to coordinate the publications, webinars, and education that is supported and created by Section members.
- Supporting the Member Spotlight on Section's web page.

### Section Advisory Group (SAG) on Pharmacy Business Management

- Developed the Financial Management Self-Assessment Tool for members.
- Completion of workload and productivity slide sets for member and C-Suite education.

### Educational Steering Committee

- Planned more than 20 hours of Midyear Clinical Meeting educational programming specifically for pharmacy practice managers and leaders, including Management Pearls.

## Committee on Nominations

- Works at developing a slate of candidates to serve as officers to fulfill Section initiatives. This group will begin its work in January 2012.

## Networking Groups & Webinars

- Planned 5 networking sessions on a variety of hot topics impacting practice managers at the 2011 Midyear Clinical Meeting. Also coordinated Networking Session on “Health Care Reform and Accountability: What is the Best Approach to Position Pharmacy for the Future?” at the Summer Meeting 2011.
- Provided three webinar networking sessions on hot topics for Section members in 2010–2011.

## Other Section Activities

- The Section and its members play an important role with the ASHP Council on Pharmacy Management.
- The Section is responsible for supporting the programming content for the ASHP Conference for Leaders in Health-System Pharmacy. In addition, also providing the coordination of the prestigious John W. Webb Lecture Award with Northeastern University School of Pharmacy.
- Section leaders have contributed to ASHP efforts on education and resources for the Pharmacy Practice Model Initiative.
