

Dear ASHP 2010 Midyear Clinical Meeting Exhibitor:

On behalf of ASHP, I would like to thank you for participating in The Midyear 2010 at the Anaheim Convention Center in Anaheim, CA.

To see highlights of the meeting and submit your CE request, visit [The Midyear 2010](#).

The preliminary post meeting feedback that we have received from registrants has been positive. Given the fact that travel and meeting budgets are still affected by the country's economic situation, we are very pleased almost 18,000 people participated in the Midyear Clinical Meeting. Your continued support for the Society and its members is greatly appreciated.

The following tables provide expanded attendance information related to The Midyear 2010.

The [ASHP 2011 Summer Meeting and Exhibition](#) is June 12-15, in Denver, CO. ASHP has “elevated” the meeting by adding more CE and additional exhibit hours, [view more information here](#). This meeting is essential to ASHP’s governing body, the House of Delegates, and it’s impact on the emerging issues in health system pharmacy. Pharmacy leaders representing each state gather in the House of Delegates at our Summer Meeting to propose new ASHP policies and discuss current issues in health-system pharmacy practice. We will continue to build this event and promote the benefits to attendees.

Watch your mail for future announcements and keep posted at [www.ashp.org/meetings](http://www.ashp.org/meetings).

Sincerely,

Dayna Evans
