MEMORANDUM

TO: Executives and Presidents, ASHP Affiliated State Societies

FROM: Henri R. Manasse, Jr., Ph.D., Sc.D.
Executive Vice President and Chief Executive Officer

SUBJECT: **Official Call for Resolutions for the 2010 House of Delegates Session**

In preparation for the 2010 House of Delegates Session, members of the American Society of Health-System Pharmacists are invited to submit policy Resolutions.

In handling Resolutions to be considered by the House of Delegates, we will follow the procedure described in Article 7.2.2 of the *Rules of Procedure for the House of Delegates*, attached as (**Appendix A**). See also the "Guidelines for Submitting Resolutions to the ASHP House of Delegates" (**Appendix B**), the "Resolutions Process" (**Appendix C**), and the Resolution Submission Form (**Appendix D**).

Since the House of Delegates will meet on June 6 and 8, 2010, all Resolutions must be submitted no later than **March 8, 2010**. Submit Resolutions to:

ASHP Board of Directors (Resolutions)
Henri R. Manasse, Jr., Secretary
7272 Wisconsin Avenue
Bethesda, MD 20814
E-mail: ASHPEVP@ashp.org
Fax: 301-634-5768

Please bear in mind that most official ASHP professional policies originate with the ASHP councils. These groups hold their annual meetings in September. Some policies also originate with the executive committees of sections and forums. Resolutions submitted directly by members are a third source of new ASHP professional policy. Before submitting Resolutions, members are encouraged to familiarize themselves with topics currently in the policy-development process. The new professional policies adopted by the 61st annual session of the House were published on the ASHP Web site (ashp.org/hod). For background and detailed information on these policies, refer to the reports on the policy proposals on the ASHP Web site (type in "Reports to the House" in the search box).

Additionally, policy committee reports, including new policy recommendations, will appear on the ASHP Web site in early April for review, approximately two months in advance of the House of Delegates session where they will be voted on. All Resolutions as originally submitted and all related correspondence will be distributed to delegates, alternate delegates, and affiliated state societies approximately two months in advance of the House of Delegates session. The Chair of the House of Delegates serves as liaison between submitters of Resolutions and the Committee on Resolutions, which is comprised of the Board of Directors.

We appreciate your interest and participation in the policy-making process of ASHP.

APPENDIX B

Guidelines for Submitting Resolutions to the ASHP House of Delegates

Approved by the Board of Directors
November 16, 1989

A Resolution may be defined as a "...declaration submitted to an assembly for adoption...a formal expression of opinion, will or intent by an official body or assembled group." The Resolutions process relates to an earlier time and place that required the offering of formal motions to a seated body followed by an open debate, amendments and action.

ASHP's Resolution process offers a mechanism for Society members to have input into the House of Delegates. Resolutions require sponsorship by two active members and must be submitted in writing 90 days in advance of the House of Delegates Session where they are to be considered. The time between submission of the resolution and consideration by the House is allocated for:

- a. Review and discussion between the Chair of the House of Delegates and the submitters of the Resolution with respect to language, intent, duplication of policy, etc.;
- b. Review of the Resolution by the Board of Directors, serving in the capacity of the Committee on Resolutions. (It is at this time that the Board "duly considers" Resolutions, permitting the House to take final action on the Resolution(s) placed before it. (Bylaws 7.3.1.3)); and,
- c. Review and discussion by Delegates, Alternates and others during the Regional Delegate Conferences in early May before final submission of the Resolution to the House for action in June.

In the early development of the Resolutions process, Resolutions were submitted using a series of "whereas" and "be it resolved" clauses to state the issues and why they should be considered. Such language frequently resulted in confusion as to the actual intent of the Resolution. Today, there is a specific format for the submission of Resolutions to simplify the process and to make the language and intent more easily understood.

Submitters of Resolutions are encouraged to follow the format on the attached form when submitting a Resolution for consideration by the Society:

1. *Motion:* The Resolution should be stated as a formal motion for introduction to the House of Delegates. This motion should be carefully worded to express the exact intent of the submitters (e.g., to study, to review, to support).
2. *Background:* There should also be a brief background statement in support of the issue under consideration.

The following chart illustrates the resolutions process from the time of submission by two ASHP active members to final consideration by the House of Delegates.

Resolutions Process

The Study Group on Organization Structure and Governing Process recommended development of

"explanation of the Resolutions process, from the time of submission through review and discussion with the Chair of the House, review by the Board of Directors, and discussion at the RDCs and open hearing, and to include the options available to the House of Delegates for action on the proposed Resolution."

The following diagram attempts to complete this task.
