

Announcing the 2008-09 ASHP Recognized Student Societies!

These Student Societies of Health-System Pharmacy (SSHP) have met the criteria for official ASHP recognition including:

- Promotion of membership in local, state, and national health-system organizations
- Development of activities to stimulate interest in health-system pharmacy careers
- Completion of one or more professional development project(s) to encourage career and professional development

This official recognition serves as the completion of the "triad" relationship between ASHP, the ASHP state affiliate organization, and the SSHP, as well as provides a direct relationship between ASHP and the individual SSHP.
