

SM10 Housing Announcement

ASHP is using ***The Housing Connection***, the only official ASHP Housing Company, to coordinate hotel reservations for the meeting. Now more than ever **we need for all attendees and exhibitors participating in the meeting to make their hotel reservations through The Housing Connection.**

By doing so, you will be:

- Provided with an immediate email acknowledgement of your hotel assignment;
- Guaranteed that you made a reservation at an “official” ASHP hotel at an official ASHP rate;
- Provided with free access the internet in your guest room at all official Summer Meeting hotels;
- In receipt of important meeting related materials in your hotel room (door drops);
- Entitled to receive reduced rates at official meeting hotels;
- And much more!

When attendees and exhibitors reserve rooms at hotels that are NOT within our official hotel block and/or do not use The Housing Connection to make a reservation:

- ASHP is exposed to penalties for not fulfilling our room block commitments;
- ASHP risks our ability to rebook preferred meeting hotels and receive reduced rates;
- ASHP is unable to plan for and provide adequate services, such as shuttle service or food service, during the meeting;
- ASHP could possibly lose qualification for the amount of space needed at the convention center.

Help ASHP make this meeting a success! Remember to book early and through The Housing Connection!
