

ASHP Patient-Care Impact Program 2007

**ASHP congratulates the graduates of the
2007 Patient Care Impact Program:
*Introducing an Emergency Pharmacist into Your Institution***

Participants in this 6-month program worked with mentors to complete a project in which they developed an Emergency Pharmacist (EPH) role in their institution.

To complete this program, participants:

1. Attended the 2007 Summer Meeting session, “Tools for Developing an Emergency Pharmacist Program and Measuring its Effectiveness”
2. Attended the project-planning meeting on Tuesday, June 26
3. Implemented the project in their institution between June and December 2007 with mentor and co-participant support
4. Participated in scheduled teleconferences with their mentors and fellow participants
5. Presented a poster describing the project at the 42nd Midyear Clinical Meeting in December 2007.
