

# Why Do You Always Pick On Me?

Or How to Fairly Divide the Workload....

Elizabeth Stanberry, Pharm D

Clinical Pharmacy Supervisor

Michael E. DeBakey VAMC

Houston, Texas

ASHP Midyear Clinical Meeting, December 2006

# Activities and Workload of Clinical Pharmacists

- Drug Therapy Management Clinics
- Precepting Students and Residents
- Non formulary Drug Consult Approvals
- Lectures
- Publications
- Drug Information
- Chart Notes

# How do you weight these activities?

- # of patients seen
- # of students precepted
- # of NF drugs reviewed
- # of lectures presented
- # of chart notes written
- # of publications

# It's a Balancing Act

- Gather Information
- Share Information with Clinical and Distributive Staff
- Be aware of the Commitments of the Clinical staff
- Peer review for quality
