Notes:

¹ After many years of hard work by individuals committed to the idea that hospital pharmacy needed a separate and distinct representation, the American Society of Hospital Pharmacists was formed with a charter membership of 154 at the American Pharmaceutical Association's Annual Meeting

² Meeting was canceled due to World War II

³ ASHP and APhA jointly established a hospital pharmacy division with permanent staffing

⁴ First time in ASHP's history its annual meeting was held separately from APhA

⁵ Annual Meeting changed its name to the Summer Meeting
