

In the Spotlight

2014 Distinguished Service Award Winner

Timothy R Brown, Pharm.D., BCACP, FASHP
Director of Clinical Pharmacotherapy in Family Medicine
Akron General Medical Center for Family Medicine
and the Department of Pharmacy,
Akron, OH

Timothy R. Brown is employed by Akron General Medical Center's Department of Pharmacy and acts as a Pharmacotherapy Specialist in the Family Medicine Residency Program. He received his doctorate from Campbell University School of Pharmacy with residency training at the Medical College of Virginia. Dr. Brown's current practice is based within a Family Medicine residency program where he also acts as a preceptor for pharmacy and medical students from across the country and is a Professor at the Northeast Ohio Medical University.

He received the Golden Apple Teacher of the Year Award multiple times from the Department of Family Medicine and was awarded the William C. Kelly Safety Leadership Award by the Ohio Hospital Association. Dr. Brown also serves on the boards of the Ohio Patient Safety Institute and is currently the President Emeritus of the BOD for Project Learn of Summit County. He has been active with the creation of the Pharmacy Practice Model Initiative by attending the inaugural session and the subsequent Ambulatory Care Summit.

Currently, Dr. Brown is the Chair of the Specialty Council on Ambulatory Care Pharmacy which represents the BCACP for the Board of Pharmacy Specialties. He is also the co-editor of the book, *Building a Successful Ambulatory Care Practice: A Complete Guide for Pharmacists*, as well as co-creator of an outpatient intervention tracking application called PACT. In addition, he is a past president of Ohio Society of Health System Pharmacists and past Chair of the ASHP Section of Ambulatory Care Practitioners. Dr. Brown was awarded Fellow status by the American Society of Health-System Pharmacists in 2012.
