| **Date:** 03/10/17 |

### JOB SUMMARY (2-4 sentences)

Responsible to provide day to day financial leadership, business analysis and direction for all pharmacies, including inpatient, outpatient, and home infusion. Assists the Director of Pharmacy with strategic financial planning, fiscal control, managing revenue and costs, and the improvement of financial processes.

### Mission/Core Values:

It is expected that all of the duties and responsibilities of this position will be performed in a manner consistent with the Standards of Behavior (CARE; Compassion: seeks to understand, listen and explain; Advocate: is the voice for the vulnerable; Respect: demonstrates the highest regard for and welcomes all people; Excellence: commits to the highest standard of quality care, joyful service, and teamwork) and in a manner that reflects the core values of the health-system which are: Excellence, Human Dignity, Justice, Compassion, Sacredness of Life and Service. All supervisors and above are expected to model the organizational mission and values through their daily actions, decision making and priority setting. All supervisors and above are expected to develop, implement and monitor short and long range plans to meet or surpass standards consistent with the overall strategic plan.

### ESSENTIAL FUNCTIONS (7-10 statements)
