

## EXPLORE THE POSSIBILITIES OF A CAREER IN HEALTH-SYSTEM PHARMACY

Did you know that pharmacists can work in a care team of medical professionals? They make recommendations about medications, help drive decisions, and follow patients over time. The **ASHP Career Center** is your guide to exploring careers in pediatrics, emergency medicine, oncology, and more.

### AS A STUDENT MEMBER OF ASHP:

- ▶ Access resources and tools to guide you in exploring career options.
- ▶ Gain a better understanding of residency and other post-graduate opportunities.
- ▶ Stay up to date with pharmacy practice news.
- ▶ Access a network of nearly 50,000 pharmacy professionals.

Membership can help you develop professionally and ultimately become a well-rounded student and future leader.

As a first-year pharmacy student, ASHP welcomed me into the small world of pharmacy and provided me with numerous resources to take my career into my own hands.

## UNDERSTAND WHAT A RESIDENCY IS

A pharmacy residency is a 1-or 2-year post-graduate training program that provides hands-on decision making and experience working with other healthcare professionals under the supervision of an experienced preceptor. It also includes focused mentoring, leadership development, and prepares you for more advanced pharmacy positions.

### WHY CONSIDER RESIDENCY TRAINING?

- ▶ Expand your clinical knowledge.
- ▶ Learn how to work in an interprofessional team.
- ▶ Gain valuable patient care experience in a multitude of settings.
- ▶ Refine your leadership skills—making you more competitive in the job market.

*A residency helps you focus on a career path that is rewarding and creates a valuable network of professional contacts that include fellow residents and preceptors.*
