Teaser: The Core Therapeutic Modules for Recertification Package consists of 3 activities on the topics of (infectious
diseases, nutrition, pulmonary disease). In each activity, faculty review clinical topics and practice skills using a case-based
approach.

Tag: Certifications; Pediatrics

ACPE Numbers: Various – see listing below
Pre-Sale Date: 09/02/2020
Content Release Date: 09/23/2020
Expiration Date: 09/21/2021
Activity Type: Application-based
CE Credits: 3 hours (Recertification and ACPE)
Activity Fee: $100 (ASHP member); $150 (non-member)

Accreditation for Pharmacists
The American Society of Health-System Pharmacists is accredited by the Accreditation Council for Pharmacy
Education as a provider of continuing pharmacy education.

Target Audience
These activities are intended for Board Certified Pediatric Specialists in need of recertification credit.

Activity Overview
The Core Therapeutic Modules for Recertification Package consists of 3 activities (see table below). In each activity, faculty
review clinical topics and practice skills using a case-based approach. This package is intended for board certified
pharmacists in need of recertification credit; the activities were designed based on the content outline developed by the
Board of Pharmacy Specialties (BPS).

Each activity is approved for 1.0 hours of continuing pharmacy education credit. Successful completion of all the learning
modules will provide up to 3 hours of continuing pharmacy education credit.

Recertification Credit*
Board certified pharmacists are eligible to receive 3 hours of recertification credit for completing this module. To earn
recertification credit, learners must review the activity content and successfully complete the online assessment by the
deadline. Only completed assessments will be eligible for credit; no partial or incomplete assessments will be processed.
You are allowed only one attempt to successfully complete this assessment.
Participants who pass the assessments will be eligible for recertification credit in the year in which the assessment was
completed.
These activities are part of the ASHP professional development program for BCPPS recertification approved by the BPS.

**Learning Objectives**

After participating in these CPE activities, learners should be able to:

**Select Topics in Pediatric Infectious Diseases Part 2**

ACPE #: 0204-0000-20-604-H01-P

- Develop treatment and monitoring plans based on patient-specific information and the most current guidelines for a pediatric patient with HIV, Herpes Simplex Virus Types 1 and 2, or systemic fungal infections.

**Select Topics in Pediatric Nutrition**

ACPE #: 0204-0000-20-605-H01-P

- Evaluate if nutrition needs of a pediatric patient are being met based on assessment of appropriate growth and development.
- Develop treatment and monitoring plans based on patient-specific information and the most current guidelines for a pediatric patient with parenteral or enteral nutrition needs.
- Evaluate patients for weight (overweight or obese) based on current guidelines.

**Select Topics in Pediatric Pulmonary Disease: Cystic Fibrosis and Chronic Asthma**

ACPE #: 0204-0000-20-606-H01-P

- Interpret relevant clinical and laboratory data and results of diagnostic procedures in a pediatric patient with an exacerbation of cystic fibrosis or chronic asthma.
- Identify relevant differences in laboratory sampling for pediatric patients (e.g., blood volume; method, frequency and timing of sampling).
- Develop the most appropriate therapy and monitoring plans based on patient-specific information and the most current guidelines.

Disclosures  
In accordance with the Accreditation Council for Continuing Medical Education’s Standards for Commercial Support and the Accreditation Council for Pharmacy Education’s Standards for Commercial Support, ASHP requires that all individuals involved in the development of activity content disclose their relevant financial relationships. A person has a relevant financial relationship if the individual of his or her spouse/partner has a financial relationship (e.g. employee, consultant, research grant recipient, speakers bureau, or stockholder) in any amount occurring the in the last 12 months with a commercial interest whose products or series may be discussed in the educational activity content over which the individual has control. The existence of these relationships is provided for the information of participants and should not be assumed to have an adverse impact on the content.
** Materials for this course will be release on 09/23/2020 **

All faculty and planners for ASHP education activities are qualified and selected by ASHP and required to disclose any relevant financial relationships with commercial interests. ASHP identifies and resolves conflicts of interest prior to an individual’s participation in development of content for an educational activity. Anyone who refuses to disclose relevant financial relationships must be disqualified from any involvement with a continuing pharmacy education activity.

All planners, presenters, and reviewers of this session report no financial relationships relevant to this activity.

Methods and CE Requirements
Activities can be completed in any order. Each activity consists of audio, video, and/or PDFs and evaluations. Learners must review all content and complete the evaluations to receive continuing pharmacy education credit for each activity.

Follow the prompts to claim, view, or print the statement of credit within 60 days after completing the activity.

System Technical Requirements
Courses and learning activities are delivered via your Web browser and Acrobat PDF. For all activities, you should have a basic comfort level using a computer and navigating web sites.

View the minimum technical and system requirements for learning activities.

Development
These activities were developed by ASHP.
