Overview

This Compounded Sterile Preparations Pharmacy Recertification Assessment is intended for BCSCP pharmacists in need of recertification credit. This assessment is only available to pharmacists who have previously purchased the Compounded Sterile Preparations Certificate for Pharmacists (L19724) course. If you have not purchased the Compounded Sterile Preparations Certificate for Pharmacists course, then you will need to purchase the *Compounded Sterile Preparations Pharmacy Review Course for Recertification + RECERT EXAMS Package (Cert # L209340)* in order to review the content materials and take the associated assessments.

Recertification Credit

BCSCP pharmacists are eligible to receive up to 38 hours of recertification credit by reviewing the content of the Compounded Sterile Preparations Certificate for Pharmacists course and successfully completing the online assessments by the deadline. Only completed assessments will be eligible for credit; no partial or incomplete assessments will be processed. You are allowed only one attempt to successfully complete the assessments.
