Learning from Experts: How to Effectively Engage in Peer Review

Planned in cooperation with the ASHP New Practitioners Forum

ACPE Activity Number: 0204-0000-20-036-L04-P / 0204-0000-20-036-L04-T

Activity Date: October 15, 2020

Activity Type: Knowledge-based

CE Credits: 1.0 hour, no partial credit

Activity Fee: Members – Free / Non-Member – Not Available

Accreditation for Pharmacists and Pharmacy Technicians

The American Society of Health-System Pharmacists is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education.

Target Audience

This activity was planned to meet the educational needs of those engaging in a scientific journal peer review process.

Activity Overview

Join ASHP New Practitioners Forum members as they learn from the experts on how to effectively engage in peer review. The webinar will cover tips, lessons learned, an interactive activity, and best practices in preparing for and engaging in a scientific journal peer review process.

Learning Objectives

- Describe the components of the peer review process.
- List the questions a peer reviewer should consider before, during, and after engaging in peer review.
- Discuss the peer-review process of a sample journal article.

Schedule of Educational Activities

- Introduction and Announcements
- Presentation
- Questions, Answers, and Discussion

Faculty Information

- **Karen Whalen, B.S.Pharm., BCPS**, Drug Information Pharmacist, St. Joseph's Health, Syracuse, NY

Faculty Disclosures

In accordance with the ACPE's and ACCME's Standards for Commercial Support, anyone in a position to control the content of an educational activity is required to disclose to the accredited provider their relevant financial relationships. In accordance with these Standards, all potential conflicts of interest have been resolved. *An individual has a **relevant financial relationship** if he or she (or spouse/domestic partner) has a financial relationship in any amount occurring in the last 12 months with a commercial interest whose products or services are discussed in the activity content over which the individual has control.*

As defined by ACCME, a **commercial interest** is any entity producing, marketing, re-selling, or distributing health care goods or services consumed by, or used on, patients. The Standards for Commercial Support do not consider providers

Activity Announcement

of clinical service directly to patients to be commercial interests. The existence or non-existence of relevant financial relationships will be disclosed to the activity audience. All identified conflicts of interest must be resolved prior to the activity.

- **All planners, presenters, reviewers, and ASHP staff report no financial relationships relevant to this activity.**

Methods and CE Requirements

This Live Webinar activity consists of faculty slides presentations, active learning activities, discussion, and handouts. Participants must attend the activity in its entirety to get the Attendance code to claim continuing pharmacy education credit online at ASHP eLearning Portal. Follow the prompts online to complete the evaluation, claim credit and view the statement of credit immediately after the activity but no later than **December 14, 2020**.

Per ACPE requirements, CPE credit must be claimed within 60 days of being earned. To be sure your CE is accepted inside of ACPE's 60 day window; plan to process your CE before **December 14, 2020**! Claim your CE at <http://elearning.ashp.org>. Once you have processed and claimed your CE credit, we encourage you to check your NABP eProfile account to verify your credits were transferred successfully before the ACPE 60-day deadline. It is an electronic direct-report process so your credits should appear in your account within a few minutes. After the 60 day deadline, ASHP will no longer be able to report your credit(s) for this activity.

System Technical Requirements

Courses and learning activities are delivered via your Web browser and Acrobat PDF. Users should have a basic comfort level using a computer and navigating web sites.

View the [minimum technical and system requirements](#) for learning activities.
