

- Active service, beyond membership, in professional organizations at the local, state, and/or national level (e.g., leadership role, committee membership, volunteer work)
- Active community service related to professional practice (e.g., Free Clinic, medical mission trips)
- Evaluator at regional residency conferences or other professional meetings
- Routine in-service presentations to pharmacy staff and other health care professionals
- Primary preceptor for pharmacy students
- Pharmacy technician educator
- Completion of a Teaching and Learning Program ¹
- Providing preceptor development topics at the site
- Professional consultation to other health care facilities or professional organizations (e.g., invited thought leader for an outside organization, mock, or practitioner surveyor)
- Contributing to health and wellness in the community and/or organization through active participation in health fairs, public events, employee wellness promotion/disease prevention activities, consumer education classes, etc.
- Publication of original research or review articles in peer-reviewed journals or chapters in textbooks
- Publication or presentation of case reports or clinical/scientific findings at local, regional, or national professional/scientific meetings or conferences
- Teaching of pharmacy students or other health care professionals (e.g., classroom, laboratory, inservice)
- Active involvement on committees within enterprise (e.g., work impacts more than one site across a health system)

How it will be surveyed

Review of Academic and Professional Record form or PharmAcademic® review.

4.9 Preceptors-in-Training

4.9.a. Pharmacists new to precepting who do not meet the qualifications for residency preceptors in sections 4.6, 4.7, and 4.8 above (also known as preceptors-in-training) must:

- 4.9.a.(1) be assigned an advisor or coach who is a qualified preceptor; and,
- 4.9.a.(2) have a documented preceptor development plan to meet the qualifications for becoming a residency preceptor within two years.

Guidance

The plan developed for preceptors-in-training is documented and provides opportunities for preceptors-in-training to meet preceptor requirement within two years. The plan may be a component of an organizational performance review process.

PGY1 residents may not be preceptors-in-training.

How it will be surveyed

Review of documented plan for preceptor-in-training.

Discussion with preceptors and RPD.

4.10 Non-pharmacist preceptors

When non-pharmacists (e.g., physicians, physician assistants, certified nurse practitioners) are utilized as preceptors:

- 4.10.a. the learning experience must be scheduled after the RPD and preceptors agree that residents are ready for independent practice; and,
