

## **ASHP Accreditation Fee Schedule for Distance Learning Pharmacy Technician Training Programs**

Please note that annual assessment fees are assessed from the date of ASHP’s receipt of the application for accreditation. ASHP’s billing is based on the calendar year (January – December). Thus, for example, a site whose application is received in April will be billed for three-fourths of the year, or if in June the site will be billed for one-half of the annual assessment rate. The only other assessed fee is the application fee, payable upon submission of the application for initial accreditation (on-site survey expenses are included in the annual assessment — there are no additional fees during the year of a program’s on-site survey). **Fees are nonrefundable.**
