- Be sure to silence your smart device, but feel free to tweet during the sessions using #ASHP17

**Tips for Prospective Residents**

1. The Residency Showcase is intended for the graduating class of 2018.

2. Your registration to the Midyear allows you to participate in the Showcase (no additional fees are necessary).

3. Prepare in advance.
   - Download or print the Residency Showcase Listing. Be sure to use the filter feature in Excel to customize your search.
   - Determine which sites you want to visit, and find out the date and time those sites will be at the Showcase.
   - Look at the diagram of the Showcase and know where those sites will be located in the hall. Programs are listed by site, not by specific type of residency program offered.
   - Have your CV updated, printed, and have an electronic back-up of your CV available.

4. Participating sites ONLY exhibit during ONE time slot. They DO NOT exhibit at ALL sessions. Use the following key to find the time when the sites you want to see are displaying:

<table>
<thead>
<tr>
<th>Series #</th>
<th>Date/Time</th>
</tr>
</thead>
<tbody>
<tr>
<td>4000 Series #s</td>
<td>Mon., December 4</td>
</tr>
<tr>
<td>5000 Series #s</td>
<td>Tues., December 5</td>
</tr>
<tr>
<td>6000 Series #s</td>
<td>Tues., December 5</td>
</tr>
</tbody>
</table>

5. Not enough time to visit the sites you’re most interested in? Ask the program representatives if they are available at another time during the meeting to talk with you.

6. Some programs are also involved in the Personnel Placement Services (PPS). This allows time for one-on-one interviews but requires an additional fee to participate in this process.

7. Business attire is expected. Although the rest of the Midyear meeting is business casual, at the Residency Showcase and PPS it is recommended that you wear conservative business professional attire.

8. Be respectful of each program’s time. Have your questions prepared before you come to the Showcase.

9. Plenty of ASHP staff in light blue logo wear will be onsite to answer your questions.
GROW your career

Talking Tips for Prospective Residents

Having questions prepared to ask each program, and also being prepared to answer questions directed at you will help ensure you make the most out of your time at the Showcase.

Be prepared to ask:
• What are the opportunities for teaching, research, and/or rotations (required or elective)?
• When assessing candidates, what qualities of the potential resident does your program place the greatest emphasis?
• Are there any unique qualities that make your residency program different from others?

Be prepared to answer:
• Why are you specifically interested in our program?
• What unique qualities would you bring to our residency program?
• How would our residency program help you to achieve your career goals.
