Student Society Showcase Guidelines

Description: The ASHP Pharmacy Student Forum Student Society Showcase is a program for SSHPs to present one successful program, service, fundraiser, or activity during the ASHP MCM. The Showcase is an opportunity to share ideas and information with fellow pharmacy students.

Participation: Open to all SSHPs. Submit the online application by November 1, 2023. All MCM attendees are welcome to attend. Consider inviting your fellow classmates and faculty to attend the showcase.

Location: The Showcase will be conducted as part of the 2023 ASHP Midyear Clinical Meeting & Exhibition in Hall E.

Date/Time: The Showcase will be held on **Sunday, December 3, 2023, starting at 5:30 p.m.–6:30 p.m.** Booths will be available for set up from 11:30 a.m.– 3:00 p.m. Please arrive no later than 3:00 pm to set up your booth to ensure that all booths are ready for presentation when the Showcase doors open.

Shipping of Exhibit Materials: Individual societies are responsible for shipping their Showcase exhibit materials. When sending items to hotels, we recommend calling the hotel to check for extra fees. Directly shipping to the convention center is not recommended due to the congestion of exhibit materials; this might result in challenges finding items, and there are handling charges for on-site locating. Properly label containers with society name and contact details regardless of transportation choice.

Security: The student society holds full responsibility for their Showcase exhibit materials and items, as ASHP is not liable for losses or damages.

Content of Individual Showcase Exhibitions: Individual Showcase Exhibitions should focus on highlighting a single successful SSHP initiative from the prior year. The goal is to inspire other SSHPs to adopt and implement similar projects on their campuses in the future.

Share & Reapply Handout – *Now Optional*

A Share & Reapply Handout is now optional. If you wish to share your handout for consideration for the ASHP website, you can submit it through the Showcase Application.

Additional Information/Tips: Prepare a "tool kit" for your meeting, including thumbtacks, pushpins, and any essential assembly items. You may bring colored cloth or paper for the background of your exhibit display. Tape, Velcro, or any other form of adhesive is *not* acceptable. Table-top exhibits are permitted. The use of projection, demonstration, or sound equipment of any kind is prohibited. When transporting your materials, opt for a shipping tube and/or case that you can personally carry. All exhibits must remain on display throughout the entire event. It is required that at least one representative from the student society is present at the exhibit at all times. Exhibits left unattended will be taken down.

ASHP will provide the following for each Student Society Showcase exhibit:
